You should mention the "Shuffling Room" in the FitNotes creating sagging format.

- There is a distinct pattern in the text, with the words "as" repeated throughout.
- The last sentence is incomplete, with "as" ending abruptly.

To clarify, the text appears to be a list of points, but it's not clear what the points are or how they are related. The use of "as" suggests repetition or emphasis, but without more context, it's difficult to understand the intended message.
